

IMPORTANT UPDATE: MOVING FUNDS

Our Bears work hard to raise funds for the athletes of Special Olympics Delaware. Sometimes, we help Bears move those funds to hit fundraising goals and earn incentives.

A change in our fundraising platform, Classy.org, has led us to update our process for moving funds.

CHANGES FOR:

Splitting one donation between multiple Bears

The Central Perk donates \$150 online to Phoebe. We want to keep \$50 for Phoebe, and move \$50 each to Rachel and Monica.

Splitting a sum of team donations between multiple Bears

The Polar Friends Team has a total of \$350 in team donations. We want to split that amount evenly among the 6 team members.

We cannot handle the situations above online on Classy. We CAN handle these types of money moves **offline**, but please be aware that your online Classy fundraising page will not show your accurate total raised.

NO CHANGES FOR:

Moving a whole donation from one Bear or team to another

Rachel donated \$20 to the Polar Friends Team. We want to move that donation to Joey.

Splitting offline donations as they come in

Monica sends a check to the SODE office for \$100. She includes instructions to add the donation to Classy - \$50 to Monica and \$50 to Chandler.

We can handle the situations above online on Classy!

Olympics**
Delaware

WE APPRECIATE YOUR PATIENCE FOR:

Any other miscellaneous circumstances that may come up!

When in doubt, ask us first! We know how hard our Bears work to collect donations for our athletes. We are committed to making your fundraising experience as seamless as possible.
