

2026 Plunge Postponement

Safety has and always will be our top priority at Special Olympics Delaware. Due to severe weather conditions, we, along with our law enforcement and first responder partners, have made the decision to prioritize the safety of all participants, volunteers, athletes, and staff by rescheduling the 2026 Lewes Polar Bear Plunge.

The Lewes Polar Bear Plunge will take place on Sun, Mar 1, 2026, in Rehoboth Beach.

We hope to host all elements of the Plunge Weekend Festival and ask for your patience as we confirm availability with the multitude of supporters and sponsors who make all those additional events happen.

If you have made overnight accommodations, please contact the establishment directly to cancel and/or reschedule.

Thank you for your understanding and continued support of our athletes.
